

LINE

32201

High comfort safety shoe. Classic design. High quality components. Ideal for comfortable work in very demanding conditions.

**TECHNOLOGIES****■ SHOCK ABSORBER**

Programmed deformation ovoidal vault system. It redirects the load on the cue by distributing it evenly.

■ MICROTEC PRO

Effective antimicrobial protection. Prevents the development of microorganisms and bad odors.

■ DRYMAX

Double layer lining. Textile fabric in contact with the foot and non-woven layer as support. Comfort and durability.
